Nov 19, 2016 Need for Speed The Run Java Game A free app that will make your monotone Android screen more colorful and engaging. In Need for Speed: The Run – City of Speed Java Edition you are a undercover cop in the Los Angeles police force and in order to uncover the criminal mastermind, you must become the best car racer. The game is easy to play and while you will be on the road and on the tracks you will have to avoid hitting other vehicles or crashing while you will also have to pay attention to the road signs. While you are driving you will notice that in the Los Angeles streets there are many slow moving speed bumps, signs, red lights and many other obstacles to avoid. You will have to use your skill to get through the track avoiding the other drivers. You can also pause the game and continue your game later on.
